Are all Schools the Same?

Here is why Myriad is the right choice:

Other Schools

Many University Trained Teachers to choose from, who are experienced in the latest teaching techniques, motivational games, classroom props, and safe ergonomics for instruments & dancing. Students develop healthy practice habits from the beginning through advanced stages. All teachers who work here are driven to make a difference in the lives of their students.

Ability to schedule lessons & classes for 2 or more family members at the same time to avoid hours of waiting and driving to different lesson providers each month.

Non-competitive school for music & dance where the focus is education as well as building self-esteem & confidence.

Individual goal sheets for every child to ensure the learning is matched to individual needs & abilities. A vision for personal growth for each & every musician and dancer!

Medal awards, gold pins, skill ribbons, certificates awarded to each student!

Knowledgeable front desk staff available to help you 6 days per week, as well as great department leaders and directors working continually on department improvements.

Professional, well-stocked, organized facility without household distractions. Beautiful classrooms with lots & lots of learning tools to make lessons fun!

Several performance options offered to all students – include small intimate, low-pressure settings to more formal concerts several times per year.

Students can study music styles from classical, jazz, musical theatre & rock/ pop with teachers who excel in these styles. Dance styles include ballet, jazz, lyrical, hip hop, and choreography classes to suit every interest.

Our dance studio has a floating floor with over 450 high density foam blocks under the floor surface and a marley top surface. Our special floors help reduce the risk of injuries and allow students to dance longer without getting tired.
