What to consider, when choosing:

Myriad

Other Schools

Many University Trained Teachers to choose from, who are experienced in the latest teaching techniques, motivational gamification, engaging educational props, and safe ergonomics for instruments & dancing. Students develop healthy practice habits from the beginning through advanced stages. Teachers who work here are inspired to make a difference in the lives of their students.

Ability to schedule Music, Dance or Art classes for 2 or more family members at the same time to avoid hours of waiting and driving to different lesson providers each month.

Non-competitive school for Music, Dance & Art where the focus is fun, education & growth mindset, fostering healthy self-esteem & confidence. Performance options presented to our students range from small intimate, low-pressure settings to more formal annual concerts. We aren't just teaching the arts, we are teaching poise, consistency, accountability and other important life skills.

Individual weekly action plans, goal sheets, skill checklists, and progress reports for every child to ensure the learning is matched to individual needs & abilities. A vision for personal growth for each & every musician, dancer and artist!

Knowledgeable, helpful Arts Administrators available to help you 6 days per week, as well as attentive Directors and Department Leaders working continually on program development. Myriad's Owners review & refreshing how we approach curriculum, ensuring effectiveness while still delivering motivation and sparking joy!

Students can study music styles from classical, jazz, musical theatre & rock/ pop with teachers who excel in these styles. Dance styles include ballet, jazz, hip hop, contemporary, AcroDance & more. Artists create in a myriad of mediums throughout the year, including watercolor, oil pastel, collage, clay & more. This school's name "Myriad" lives up to its' vision!

Our dance studio has a floating floor with over 450 high density foam blocks under the floor surface and a marley top surface. Our special floors help reduce the risk of injuries and allow students to dance longer without getting tired.
